HARISONS®
THE ELECTRIC PEOPLE

A multi-product electrical organization established in 1973. We offer a wide range of products, which include a variety of Electrical switches, luminaries, mcb's, switch gears, flex boxes, door bells & other accessories and appliances. All our Products are certified by ISI and tested & approved by regional test centre ministry of Indian Government of India & P.W.D. Maharashtra.

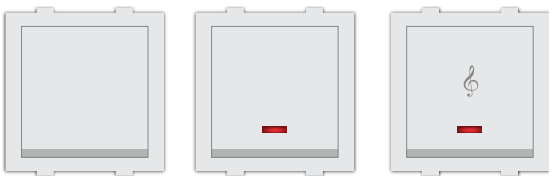

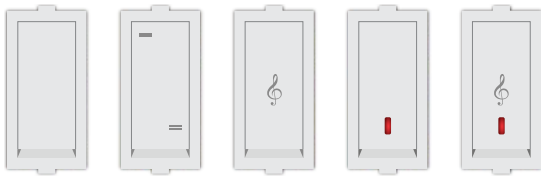

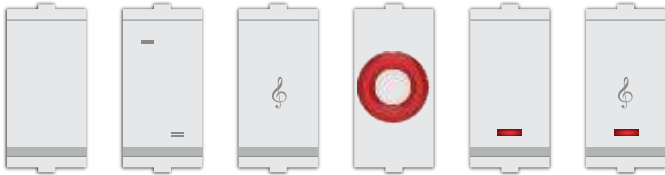

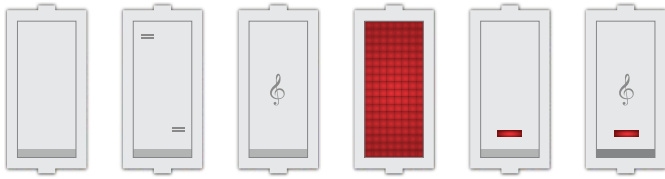

Our extensive range of electric safety switches and electrical products is highly valued in the domestic market. Low power consumption, dimensional accuracy, proper oscillation and ease in operation are some of the features that make our range widely demanded amongst our clients.

Our client-centric approach has helped us to satisfy our customers in every possible way.

We promise our treasured customers our solid faith in 'letting go no expense to achieve quality' as part of our responsibility towards creating effective solution products.

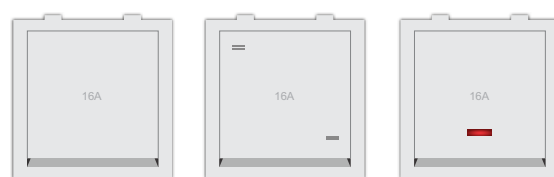

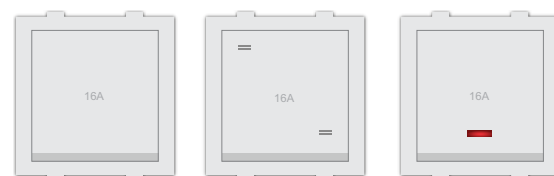

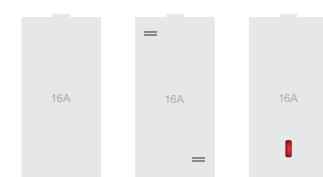

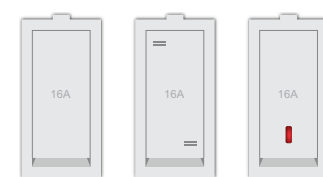

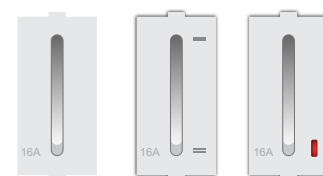

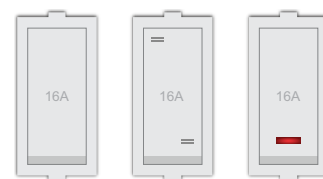

elegance

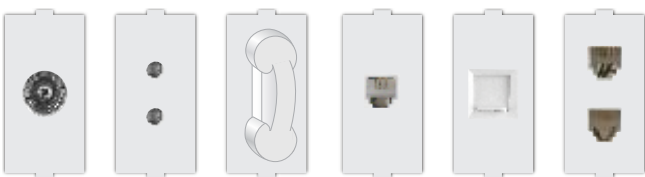

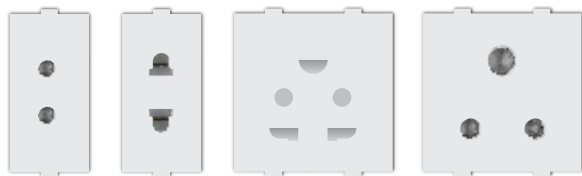

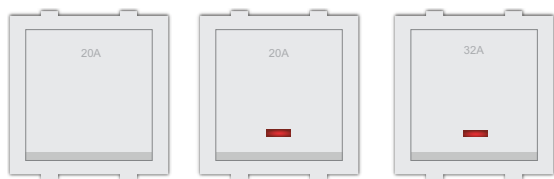

In every way

D'SIGNER MODULAR PLATE

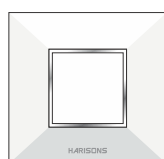

Use Colour to Your Advantage

Colour can make or break a room, so being smart about your Colour choices is essential to interior design. For smaller spaces, using a lighter Colour plate is the smartest choice, because such Colours will reflect your wall

EXPERIENCE THE QUALITY

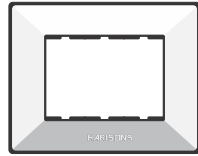

The Elegance series offers a robust range of switch plates with a sleek and sophisticated design. The collection includes Epic, Sinq, Estro, Glaze, Ark, Liva, and Crysta plates. The Crysta plates stand out with their blue LED indicator, making it easy to locate the switchboard in the dark while providing a soft, non-intrusive light that is gentle on the eyes. This innovative feature was the first of its kind introduced in India.
