First of its kind....

Nature shows you a lot than you can ever return it back,  
Here is our small effort for you that adds union with nature

Our thermoplastic active white plate with its natural silver ions not only has  
Expunging effect on bacteria but also works against surface borne infection

Our uv carbonized polycarbonate despite sunlight provides consistency  
Of ultra-whiteness in colour and is also flame retardant

Our horizontal and vertical plates in terms of plating them according  
To your personal comfort and convenience adds on with simplicity and ease

We create machine with an art that understands your comfort needs  
With the assurance in any form you choose to work and play

According to your personal comfort and convenience our horizontal  
And vertical plates offers simplicity and ease in terms of placing them.
